On the assumption everyone now uses SATNAV our post code sometimes sends you to the wrong entrance that might not belong to us. Please follow NR18 0RS – this will put you on Barnham Broom Road, and take you to Lodge Farm entrance on your right hand side coming from Wymondham, don't turn in simply carry on driving for another 300m along the main road to our entrance on the LHS. Those approaching from the other direction will arrive at the gates on the RHS before getting to that code.

Look out for a pair of pink lodge cottages with black iron gates.
